

Sending Funds to inmates housed at Facility:

- The facility does not accept any funds directly at the facility. Families can access the following link to deposit funds to an inmate's account: AccessCorrections.com or call (866)345-1884. You will need the inmate's identification number.
- Inmates have access to kiosk machines and may correspond via e-mail with you. AccessCorrections.com link will also allow you to deposit funds for the e-mail service.
- An inmate phone service is provided by ICSolutions. Phone calls are eighteen cent a minute and are fifteen minutes in duration. Inmates may call utilizing their funds on their account or you can place funds for phone calls on a separate account by calling 1(888) 506-8407.
- Inmates may receive a care package from our approved vendor once a quarter. Visit the link www.mitchellcountypackage.com for the latest updates on this package program.
